Refund policy IGCP-700

For all refunds, a fee of 50% will be deducted from the amount initially paid, corresponding to the international bank transfer fee and administrative fee. Refunds can be issued in the following cases:

- If the meeting is cancelled or postponed in cases of force majeure, registered participants have the choice to keep their registration for the new meeting (in case of postponement) or to be refunded.
- If participants cancel their participation, registration fees will only be refunded if the notice of cancellation is received before 10th October 2025. After 10th October 2025, no refund will be possible even if you do not attend the congress.

The registration fees will not be canceled and refunds will not be issued if the registrant is unable to attend due to travel delays or due to visa application rejection or any other extraordinary circumstances beyond the control of IGCP-700.
